Stories for Wrestling Against Racism in ACC

Saturday, October 21, 9:30am to 12:30pm
Landisville Mennonite Church

In this session, we will hear stories of how individuals have been impacted by racism in Mennonite settings in Lancaster County. Participants will be invited to consider a “Hierarchy of Power Tableau” exercise to help talk about how we and the storytellers experience the inter-personal and structural dynamics that show up in these stories as well as in our own stories. We will explore what unique role(s) we bring to this movement as learners, as people of peace, as agents of reconciliation.

To attend this session, please register thru the e-newsletter!
