Prayer for the World

Pray for us in Southern Africa and Central Africa, particularly, Malawi, Mozambique, Zambia and Zimbabwe: the region has been affected by climate change and the past rain season has been very dry. Rains are not expected again until mid-November, with the hottest months being August, September, October.

Already the dams are drying up and animals are getting stuck in the mud as they try to access the little water that still remains in our dams.

Over 2 million people will need food assistance in Zimbabwe alone. Our only hope is God Almighty, who is our provider.

—Reverend Sindah Ngulube, Brethren in Christ Church, Zimbabwe, Danisa Ndlovu, Regional Representative

Welcoming Connecting Healing

Frazer Mennonite Church is a compassionate community walking with Christ toward peace and wholeness

Welcome to all!

We invite you to enter fully into worshipping God with us this morning.

Infant/Newborn Room is located off the main lobby. There's a live feed of the worship service, changing station, and seating.

Nursery and Toddler Care for children 9 months to preschool-aged provided by volunteers during the worship service in the Preschool Classroom off the main lobby. All volunteers have clearances on file in the church office.

Children are welcome to remain in the sanctuary. If your little ones need some activity during the service, we offer children's fun worksheets & coloring pages geared toward the days scriptures. They are available in the back of the sanctuary.

Also available for use during the service are **Quiet Bags** filled with activities for children age 4+. Pick one up outside the Ladies Restroom in the overflow area.
