Advent 2026 at Frazer Mennonite Church

This Advent we will walk through the early chapters of the Gospel of Luke and seek the joy of God with us. At the same time, we will make room for the truth that so many of us and even our world, are weary. To shape our celebration, we will use resources from *A Sanctified Art* .

Describing the resources, *A Sanctified Art* writes: "Christ was born into a weary world. King Herod ruled the land with a legacy of ruthlessness. The Romans treated the people of Israel with contempt, imposing harsh taxes and land seizures that forced many into subsistence farming. Poverty and destitution were pervasive. And yet, Christ was born, bringing good news of great joy for all people.

As Advent comes again to a weary world, we ask, “How does a weary world rejoice?” From the opening chapters of Luke’s Gospel, we have found a few answers: we acknowledge our weariness, we find joy in connection, we allow ourselves to be amazed, we sing stories of hope, we make room, we root ourselves in ritual, and most importantly, we trust our belovedness."
